Head Office: #312, 222 – 58 Ave S.W. Calgary, AB T2H 2S3
Plant: P.O. Box 2024 Fort Macleod, AB T0L 0Z0

We, at Bouvry Exports Calgary Ltd, are committed to ensuring the well-being of all animals received at our facility. We understand that horse slaughter is a very sensitive subject, and we pride ourselves on having the highest standards of Animal Welfare.

We implement and follow a full procedure that includes training, monitoring and verification of the humane handling of all animals.

- All of our livestock handlers hold Animal Welfare Certification through a PAACO Certified Auditor and Trainer
- CLT Accreditation is required for all our livestock handlers and drivers.

Our barn is designed with Temple Grandin's serpentine design in mind to lessen the stress of the animal as much as possible.

All livestock received into the facility are accompanied by a completed transfer of care.

- We segregate all animals to limit the risk of injury to themselves and surrounding animals.
- Annual updates of our Buyer and Transient Agent Declarations are reviewed to ensure that we are up to date with current Animal Welfare Regulations.
- Buyers and Transient Agents are held answerable to our guidelines including but not limited to:
 - Transportation
 - Henke Body Score
 - Compromised / Unfit animals

Our facility has third party, 24/7 camera monitoring of our livestock receiving, livestock lairage, barn, all the way into the plant before and after stunning.

Bouvry Exports Calgary Ltd - Accreditation

- SGS Animal Welfare Certification; we recently passed our audit with 96%.
- SQF Certification through a third party

We have announced and unannounced audits from a third party to confirm that we are in compliance with Animal Welfare Standards.

At Bouvry Exports Calgary Ltd, we are transparent with everything we implement concerning Animal Welfare and reiterate that it is at the forefront of what we believe; making sure that we provide a safe, humane and valid option for end of life.
